O **DEDUCTIBLES, CO-PAYMENTS AND COINSURANCE**- All applicable copays, coinsurance and deductible amounts are due and expected at the time of service. If a deductible is applicable, Bakersfield Pediatrics will collect $100 as an estimated amount for the office visit. Any remaining balance will be billed to the guarantor. If your plan has a coinsurance amount for Preventative visits, an estimated patient responsibility amount will be due at the time of service.

It is not the responsibility of Bakersfield Pediatrics to know your policy details. As a courtesy Bakersfield Pediatrics will attempt to verify eligibility and benefits, however, we are unable to obtain the exact details of payment until the claim is processed.

O **OUTSTANDING BALANCES**- Outstanding balances for all family members are due prior to the physicians visit. Bakersfield Pediatrics has the right to refuse service for non-urgent medical services if balances are not paid in full before the scheduled visit.
